LARGEST IN THE CITY.

Purely Business!

The columns of a newspaper represent a cash value. No publisher can afford to give advertising space for less than a certain value. It is not a question of free goods or losses. A newspaper is a business concern. Its columns are its stock in trade, and advertisements should be paid for, no matter in what part of the paper they appear.

The Confirmed Cattle

Upon this ledger for free notices have become so burdensome that we are forced to publish the following terms:

For Notices of Shippers:

Advertisements, letters, or other public communications where a fee is charged, and for delivery notices, resolutions of request, etc. This ledger will charge five cents a line, and hereafter this will be the invariable rule. This charge will be the invariable rule. This charge will be the invariable rule.

### THE DECIDING GAMES.

The Three Played This Week Will Tell the Tale.

The Kuruels have won fourteen in two years.

The Indians have won fourteen in two years.

That was the standing of the two clubs after Saturday's game.

It is true the team that represented Maysville last year is not the same one that has been playing ball this year in the Maysville uniforms, as the one this year is far superior, in our minds, to that of last year.

We have better pitchers, better fielders with possibly two exceptions and better batters, all of which give us a better all round club than the one we had last year.

The Indians have about the same make up this year as last, and from this result of the game Saturday it made it impossible for the people of Knoxville to tell which is which, so they prevailed on the Kuruels staying and play three games this week—Monday, Tuesday and Wednesday, the club winning two out of the three to be the best.

We are going to say right here that there's no question in our minds at present as to which is the best, what's puzzling us is how the Indians ever win a game from the Kuruels.

### NOTES.

The crack Flemingsburg Junior Nine fell yesterday before the undefeated Campground Nine. The features were Rudy's hitting and Davis's pitching for Camp Nine. Batteries—Flemingsburg, Cox and Pumpary; Campground, Davis and Elmer Rudy. Score—12 to 7 in favor of Campground club.

Captains Ewing of the Cincinnati Reds and Anson of the Chicago were over to West Union Saturday to see Roaring Bill Hassamer, the cowboy wonder, catch.

It is thought he will be signed by one of these clubs. If he don't go into the League this year, he will finish the season with the Short Streeters.

Saturday's game at Knoxville was one in which the boys hit the ball. The Maysville boys got ten hits off Miller while six small ones was all the Indians could do to Newton. The Knoxville Tribune of Sunday has the following account of the game:

"Up to the ninth inning yesterday the Indians had the game well in hand, but two errors and two hits and a general pyrotechnic display made by the Knoxville team in the Maysville half of the ninth turned the tables most completely on them and gave the game to the visitors from old Kentucky by a score of 6 to 5 in which there was only one man out."

To Jones, the Louisville man, and Jobe is due the credit of Maysville's winning when the game was thought every one to be safely among the "Indians' scalps."

In the ninth the score stood 5 to 4 in favor of Knoxville and when the Maysville team started in for their half of the inning the people commenced leaving; a moment later Jobe made an error and allowed a man life at first; then a hit advanced him, and then another hit and an error by Jones in right field allowed two men to cross the plate and the victory was Maysville's. The last hit was made while Big Tanner was on first base, and the ball hit was a liner about seven feet in from first base.

Tanner played his part to perfection and started to run, holding back, however, at the proper time in order to keep the batted ball from striking him.

"Four home runs and a long two-base hit, coupled with Strong Nicklin's at third, were the features of the game. Flourary cracked the sphere over
